

Bursary Nomination - Tertiary

The first phase of Women4Women is to raise funds to sponsor disadvantaged deserving female student's academic fees for 2019 and beyond depending on results.

The board will review and select students/learners to receive a bursary in November 2019. Should these selected girls achieve a certain agreed upon grade each year, **Women4Women** will continue to pay their educational funds until completion.

To nominate a young girl that needs her fees paid for 2020, please send us the following:

- Full name:
- Age:
- ID number:
- Name of the school attended:
- Year Matriculated:
- Copy of senior Certificate
- Name of Tertiary institution
- Proof of registration at tertiary institution
- Statement of 2018 results at tertiary institution
- Motivational letter from parent and learner:
- At least 3 pictures of the learner

(all items to be supplied to qualify for nomination)

Your application means that you consent to the learner's image being placed on the Women4Women website to raise funds for her schooling.

Should your application be accepted the following conditions must be met to continue being on the bursary fund for future years consideration:

1. Results are to be submitted to manager@women4women.co.za each quarter without reminders. Please ensure that these are sent punctually.
2. There will be an expectation from the student to obtain the highest grades that they can. To put in the extra effort and study time to achieve. This will be monitored. Prizes can be given for exceptional grades or increases in grades.
